Hay Burr Inn Equine Rescue and Sanctuary is a 501(c)(3) non-profit organization that is dedicated to saving the lives of horses that are victims of starvation, neglect, abuse, bound for slaughter, or whose owners are unable to provide for their needs. It is our goal to rehabilitate and restore the physical and emotional health of the horses and find them a loving home, or continue to give them the special, intensive care they need to live out their days in peace. As this is 100% volunteer and donation-based organization, we rely on the community for us to continue the work we do.
